I think so. The IO is just trying to keep tabs on when the official final concurrence version for Janet will be sent over for review. I told them Debbie and Joe were taking a look and it depended on their comments.

It would be good to just give them (or me and I'll do it on my Thursday calls with Britney) a heads up on when the next version will be coming.

Hi Eric,

Just catching up on email, did you get what you need on this?

Thanks,

Dee

Can one of you let me know an approximate date that we plan to send the next draft of the U&O FIP over to OAR? Also, the OAR IO has requested both a "clean" copy and a redline-strikeout.

Thanks!
